

Sixty Page Fixture ? synthetic benchmark document

Page 1 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 1: the quick brown fox jumps over the lazy dog. PACKING-BOX-0001 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 2 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 2: the quick brown fox jumps over the lazy dog. PACKING-BOX-0002 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 3 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 3: the quick brown fox jumps over the lazy dog. PACKING-BOX-0003 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 4 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 4: the quick brown fox jumps over the lazy dog. PACKING-BOX-0004 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 5 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 5: the quick brown fox jumps over the lazy dog. PACKING-BOX-0005 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 6 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 6: the quick brown fox jumps over the lazy dog. PACKING-BOX-0006 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 7 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 7: the quick brown fox jumps over the lazy dog. PACKING-BOX-0007 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 8 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 8: the quick brown fox jumps over the lazy dog. PACKING-BOX-0008 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 9 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 9: the quick brown fox jumps over the lazy dog. PACKING-BOX-0009 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 10 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 10: the quick brown fox jumps over the lazy dog. PACKING-BOX-0010 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 11 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 11: the quick brown fox jumps over the lazy dog. PACKING-BOX-0011 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 12 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 12: the quick brown fox jumps over the lazy dog. PACKING-BOX-0012 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 13 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 13: the quick brown fox jumps over the lazy dog. PACKING-BOX-0013 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 14 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 14: the quick brown fox jumps over the lazy dog. PACKING-BOX-0014 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 15 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 15: the quick brown fox jumps over the lazy dog. PACKING-BOX-0015 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 16 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 16: the quick brown fox jumps over the lazy dog. PACKING-BOX-0016 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 17 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 17: the quick brown fox jumps over the lazy dog. PACKING-BOX-0017 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 18 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 18: the quick brown fox jumps over the lazy dog. PACKING-BOX-0018 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 19 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 19: the quick brown fox jumps over the lazy dog. PACKING-BOX-0019 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 20 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 20: the quick brown fox jumps over the lazy dog. PACKING-BOX-0020 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 21 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 21: the quick brown fox jumps over the lazy dog. PACKING-BOX-0021 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 22 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 22: the quick brown fox jumps over the lazy dog. PACKING-BOX-0022 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 23 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 23: the quick brown fox jumps over the lazy dog. PACKING-BOX-0023 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 24 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 24: the quick brown fox jumps over the lazy dog. PACKING-BOX-0024 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 25 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 25: the quick brown fox jumps over the lazy dog. PACKING-BOX-0025 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 26 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 26: the quick brown fox jumps over the lazy dog. PACKING-BOX-0026 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 27 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 27: the quick brown fox jumps over the lazy dog. PACKING-BOX-0027 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 28 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 28: the quick brown fox jumps over the lazy dog. PACKING-BOX-0028 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 29 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 29: the quick brown fox jumps over the lazy dog. PACKING-BOX-0029 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 30 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 30: the quick brown fox jumps over the lazy dog. PACKING-BOX-0030 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 31 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 31: the quick brown fox jumps over the lazy dog. PACKING-BOX-0031 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 32 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 32: the quick brown fox jumps over the lazy dog. PACKING-BOX-0032 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 33 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 33: the quick brown fox jumps over the lazy dog. PACKING-BOX-0033 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 34 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 34: the quick brown fox jumps over the lazy dog. PACKING-BOX-0034 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 35 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 35: the quick brown fox jumps over the lazy dog. PACKING-BOX-0035 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 36 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 36: the quick brown fox jumps over the lazy dog. PACKING-BOX-0036 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 37 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 37: the quick brown fox jumps over the lazy dog. PACKING-BOX-0037 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 38 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 38: the quick brown fox jumps over the lazy dog. PACKING-BOX-0038 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 39 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 39: the quick brown fox jumps over the lazy dog. PACKING-BOX-0039 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 40 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 40: the quick brown fox jumps over the lazy dog. PACKING-BOX-0040 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 41 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 41: the quick brown fox jumps over the lazy dog. PACKING-BOX-0041 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 42 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 42: the quick brown fox jumps over the lazy dog. PACKING-BOX-0042 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 43 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 43: the quick brown fox jumps over the lazy dog. PACKING-BOX-0043 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 44 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 44: the quick brown fox jumps over the lazy dog. PACKING-BOX-0044 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 45 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 45: the quick brown fox jumps over the lazy dog. PACKING-BOX-0045 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 46 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 46: the quick brown fox jumps over the lazy dog. PACKING-BOX-0046 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 47 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 47: the quick brown fox jumps over the lazy dog. PACKING-BOX-0047 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 48 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 48: the quick brown fox jumps over the lazy dog. PACKING-BOX-0048 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 49 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 49: the quick brown fox jumps over the lazy dog. PACKING-BOX-0049 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 50 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 50: the quick brown fox jumps over the lazy dog. PACKING-BOX-0050 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 51 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 51: the quick brown fox jumps over the lazy dog. PACKING-BOX-0051 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 52 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 52: the quick brown fox jumps over the lazy dog. PACKING-BOX-0052 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 53 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 53: the quick brown fox jumps over the lazy dog. PACKING-BOX-0053 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 54 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 54: the quick brown fox jumps over the lazy dog. PACKING-BOX-0054 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 55 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 55: the quick brown fox jumps over the lazy dog. PACKING-BOX-0055 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 56 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 56: the quick brown fox jumps over the lazy dog. PACKING-BOX-0056 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 57 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 57: the quick brown fox jumps over the lazy dog. PACKING-BOX-0057 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 58 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 58: the quick brown fox jumps over the lazy dog. PACKING-BOX-0058 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 59 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 59: the quick brown fox jumps over the lazy dog. PACKING-BOX-0059 marks this page uniquely for text-matching tests.

Sixty Page Fixture ? synthetic benchmark document

Page 60 of 60. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 60: the quick brown fox jumps over the lazy dog. PACKING-BOX-0060 marks this page uniquely for text-matching tests.
