

Long Text Fixture ? synthetic benchmark document

Page 1 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 1: the quick brown fox jumps over the lazy dog. PACKING-BOX-0001 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 2 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 2: the quick brown fox jumps over the lazy dog. PACKING-BOX-0002 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 3 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 3: the quick brown fox jumps over the lazy dog. PACKING-BOX-0003 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 4 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 4: the quick brown fox jumps over the lazy dog. PACKING-BOX-0004 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 5 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 5: the quick brown fox jumps over the lazy dog. PACKING-BOX-0005 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 6 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 6: the quick brown fox jumps over the lazy dog. PACKING-BOX-0006 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 7 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 7: the quick brown fox jumps over the lazy dog. PACKING-BOX-0007 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 8 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 8: the quick brown fox jumps over the lazy dog. PACKING-BOX-0008 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 9 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 9: the quick brown fox jumps over the lazy dog. PACKING-BOX-0009 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 10 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 10: the quick brown fox jumps over the lazy dog. PACKING-BOX-0010 marks this page uniquely for text-matching tests.

LEFT-COLUMN-ORDER-1 first block.

RIGHT-COLUMN-ORDER-2 second block.

Long Text Fixture ? synthetic benchmark document

Page 11 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 11: the quick brown fox jumps over the lazy dog. PACKING-BOX-0011 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 12 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 12: the quick brown fox jumps over the lazy dog. PACKING-BOX-0012 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 13 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 13: the quick brown fox jumps over the lazy dog. PACKING-BOX-0013 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 14 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 14: the quick brown fox jumps over the lazy dog. PACKING-BOX-0014 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 15 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 15: the quick brown fox jumps over the lazy dog. PACKING-BOX-0015 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 16 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 16: the quick brown fox jumps over the lazy dog. PACKING-BOX-0016 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 17 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 17: the quick brown fox jumps over the lazy dog. PACKING-BOX-0017 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 18 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 18: the quick brown fox jumps over the lazy dog. PACKING-BOX-0018 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 19 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 19: the quick brown fox jumps over the lazy dog. PACKING-BOX-0019 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 20 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 20: the quick brown fox jumps over the lazy dog. PACKING-BOX-0020 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 21 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 21: the quick brown fox jumps over the lazy dog. PACKING-BOX-0021 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 22 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 22: the quick brown fox jumps over the lazy dog. PACKING-BOX-0022 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 23 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 23: the quick brown fox jumps over the lazy dog. PACKING-BOX-0023 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 24 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 24: the quick brown fox jumps over the lazy dog. PACKING-BOX-0024 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 25 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 25: the quick brown fox jumps over the lazy dog. PACKING-BOX-0025 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 26 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 26: the quick brown fox jumps over the lazy dog. PACKING-BOX-0026 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 27 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 27: the quick brown fox jumps over the lazy dog. PACKING-BOX-0027 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 28 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 28: the quick brown fox jumps over the lazy dog. PACKING-BOX-0028 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 29 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 29: the quick brown fox jumps over the lazy dog. PACKING-BOX-0029 marks this page uniquely for text-matching tests.

Long Text Fixture ? synthetic benchmark document

Page 30 of 30. This fixture was generated for the pdf-tools benchmark corpus. It contains selectable ASCII text for extraction tests and predictable page geometry.

Paragraph 30: the quick brown fox jumps over the lazy dog. PACKING-BOX-0030 marks this page uniquely for text-matching tests.
